## Fiber Reinforced Ceramic Composite

**5 piece Sectional Furnace Lintel**

**Lintel Meeting Furnace Jamb**

### WHY?

- |                          |   |
|--------------------------|---|
| THERMAL SHOCK RESISTANCE | - WILL NOT SPALL                        |
| IMPACT RESISTANCE        | - WILL NOT BREAK APART                  |
| ANCHORING STRENGTH       | - EASY TO BOLT INTO PLACE               |
| POSITIVE DOOR SEAL       | - PROTECTS SUPPORT STEEL FROM OXIDATION |
| COST EFFECTIVE           | - SAVES NON PRODUCTIVE DOWNTIME         |
